ABSTRACT

This article gives an example of the 2026 International Conference on Business Sustainability and Innovation Management of contributors. The papers that have been accepted by 2026 International Conference on Business Sustainability and Innovation Management must be arranged in accordance with this format. English abstract should be less than 500 words. If papers do not comply with the format, they will not be published. Please use paper Name_Abstract as your English abstract file name.

Please upload your abstract to the designated website by May 8, 2026, for review and compilation of the abstract collection. All papers should be uploaded in Microsoft Word file format, and please do not set any security restrictions. The submission and final manuscript upload URL is: 2nd International Symposium on Sustainable Management and Innovation Management - Submission Guidelines, Final Manuscript Upload. Please refer to the symposium website for details:
